## ON TO GEORGETOWN MOTTO OF QUIGLEYITES

Squad Determined to Fight Hilltoppers to a Standstill.

### BOTH SUFFER INJURIES

Hatchettes Come Out of V. M. I. Encounter in Good Condition.

Thanksgiving Day, November 30, will see the Hatchettes' football machine stacking up against the big Blue and Gray Georgetown team at the American League Ball Park at 2 o'clock in the afternoon.

Both teams have been through unusually hard seasons and are rather battered and stale. The team from the Hilltop has seen more injuries and defeats this year than they have for many moons. With Florence, one of the East's finest ends, Bill Kenyon, fullback, Jack Flavin, half-back, and King, end, in poor condition, Exendine's crew have been unable to get going.

### Blue and Gray Stage Comeback.

Last Saturday they staged a comeback by beating the heavier Bucknell team after falling before the Marines, Holy Cross, and Georgia Tech. Next Saturday the Georgetowners will have a hard game with Boston College, and two days after playing G. W. they meet one of the strongest teams in the country—Lafayette. Georgetown has a hard row to hoe.

The Quigleyites have had a hard season. Injuries from the start have handicapped Coach Quigley, but the squad came out of the V. M. I. encounter in excellent condition. Only Corbin and Rafferty are in poor shape with bad legs.

Coach Quigley is determined to give the Blue and Gray a hard battle, and if Exendine tries to save his veterans for Lafayette, they are liable to get a surprise from a battling Hatchette eleven. When the Buff and Blue meets the Blue and Gray, a battle royal will result.

## SOPHOMORES WILL DANCE IN LISNER HALL TONIGHT

Freshmen Rumored to Be Planning to Take Part in Second Year Mixer.

Splash! Another ancient egg against the walls of Lisner Hall. Will it be thus at the Sophomore Mixer to be held in the Chapel tonight at 9 o'clock? The Freshmen have been putting their heads together and laying dire plans that bode ill for the wily Sophs. With such a brilliantly successful election behind them, viewed from the racing standpoint, the Frosh are confident of their success this evening.

News comes from the Sophomore camp, however, that they also are hatching schemes that will put any venturesome Freshman on the quiets that comes within the vicinity of 2023 G Street. This information was gained by a correspondent of the Hatchet at great expense and is absolutely true. All Sophomores are requested by Albert Haley, Soph Prexy, to come to the mixer and help to defend the colors of the class of 1925.

### TENNIS TEAM PLANS TRIP

Arrangements are being made by Manager Viens for a trip for the tennis team of about a week. Teams being booked are Navy, Johns Hopkins, Delaware, University of Pennsylvania, and Lehigh for the trip. Others are V. M. I., Washington and Lee, C. U., and G. U. at home.

Manager Viens reports that the tennis tournament that has just been completed, was a great success.

Van Ende, who won the day school matches, played and defeated Law, champion of the night school classes, by the score of 6-2, 10-12, 6-0, 7-5, making him the champion of the University at present.

Is that fence in front of Lisner Hall to keep the students off of the grass on the campus?

### PI PHI TO DANCE

Pi Beta Phi Fraternity will hold a tea dance at 2400 Sixteenth Street on Thanksgiving Day, from 5 until 8. All students cordially invited.

## Council Changes Minor Athletics To Major Letter

New Vacancy Election After Thanksgiving—Petitions Must Be In By Wednesday.

Men's tennis, rifle, and wrestling, and women's swimming and tennis teams were changed from minor to major sports by the Student Council at the meeting of November 21, 1922, under eligibility rules adopted at this meeting. In order that these rules be complied with, schedules of all athletic teams shall be presented to the Student Council for approval as soon as compiled by the respective managers.

Another Student Council election will be held as soon as all petitions are turned in. There are three vacancies at present that need to be filled, one from Columbian College, one from Engineering College, and one from the Graduate School. Any student in school who obtains a petition signed by at least ten per cent of the students in his school, is eligible for nomination. All petitions must be in to H. L. Norcross, room 216 Y. W. C. A., before 8 o'clock p. m., November 29. There are at present three applications before the Student Council elections committee, those of Richard K. McPherson, Mary Brown, and Margaret Bowie, from Columbian College.

The next meeting of the Student Council will be held Tuesday, December 5, in Lisner Hall, at 8 o'clock.

Everyone appreciates the fact that athletics play a very important role in college life. If you are an athlete, go out for the team for which you are best qualified; if not, apply for one of the existing vacancies as assistant manager and assist in putting G. W. on the athletic map.

H. A. TOLSON,  
Chairman, Athletic Committee.

### Ye Enlarging Pens.

Student 1: "Hey, what is that darn contraption Bill is carting along there on wheels?"

Student 2: "Oh, that's the new fountain pen he just bought."

## FRESHMAN ELECTIONS

Sophs Fail in Attempt to Kidnap Frosh President.

### LANGER ELECTED

Escapes Through Window as Upper Class Hordes Approach; Red Ford Falls in Time of Need; Further Developments Planned.

Where was the Freshman President on the evening of November 16? This is the question that fifty irate sophomores are asking. Darkness, a rush from the door, a crash, sounds of running footsteps, light again, but no president are the only known facts. The illustrious upper classmen are still trying to figure out how Langer, the Frosh elected to lead his class to glory, could jump through the window and escape with five Sophs on his neck.

The occasion for this gentle frolic was the annual Freshman Classic, better known as election, held on November 16, in room 1. At 8 p. m. Freshmen of all sexes, sizes, heights, weights, and looks assembled at the University to pick their officers for the year. Presided over by Earl Manson, the first feature was a speech of welcome by Eugene Thomas, President of the Junior Class. Immediately more or less confident campaign managers began to extol the merits of their respective candidates. Congressman Fuller Bunk was nominated, but in spite of Manson's protests his name was withdrawn on a point of order. One candidate, upon being nominated, thanked the class for the honor of being elected to this high position, thinking the formality of an election unnecessary. When the smoke of battle cleared away Clayton Langer was found elected president.

Evidently considering discretion the better part of valor, a few seconds later Langer found it advisable to leave by way of the window, with a bloodthirsty pack of Sophomores at his heels. How he escaped is an unsolved mystery.

Returning to the scene of action the following officers were elected: Elizabeth Dorsey, vice president; Frances Davis, secretary; Melville Lindsay, treasurer; Benjamin Clements, sergeant at arms.

The upper classmen, in order not to be entirely outwitted, determined to wreak revenge upon the unlucky treasurer. The red Ford "racer" of much campus fame, was cranked up and began to spit fire and smoke in preparation for the visitor expected. Hands were laid upon Lindsay, but as the captors and captured approached the place where the Ford had been, it was seen being wheeled down the street, not having gasoline enough to propel itself. Lindsay escaped for the time being, but it is reported that he led the search for himself.

Although outwitted, the Sophomores still promise revenge, while the impertinent Frosh sits by and laughs at such a possibility. Further developments are promised.

## GIRL BASKETBALLERS ARRANGE SCHEDULE

A particularly promising year was begun for girl basketball players when they held their initial meeting on last Thursday evening. About 25 girls turned out, and to judge from the hearty support accorded the captain and the coach, there will be a peppy combination representing G. W. this winter.

Margaret Brewer, manager of the team, announced that a very stiff schedule had been arranged, including games with Gallaudet, Swarthmore, William and Mary, University of Pennsylvania, and Temple University of Philadelphia. Most of these games will be played at home, but the girls will go to William and Mary to play them on their own floor.

### G. W. CLUB MEETS

All members of the G. W. Club are asked to be present at a smoker and important meeting to be held on November 28, 1922, at the Sigma Chi Fraternity House at 1312 N Street N. W. Arrangements for the pictures of the club members, to be taken before December 1, at Edmonston's Studio, 1407 F Street, for the Cherry Tree, will be discussed, and also the subject of club membership will be considered.

## G. W. Basketball Schedule Made; 12 Games Here

Games To Be At Coliseum Preceded By Girls Team—Many of Old Squad Back.

Plans are practically completed for a successful basketball season, was the announcement made by Edwin S. Bettelheim, Jr., the manager of the varsity team, the early part of this week. There will probably be 12 games played on the home court and also 6 traveling games.

The home games will be played at the Coliseum, which has been entirely renovated, remodeled and redecorated, and with seating arrangements to take care of a thousand people.

Negotiations are under way to play Fordham University on our home court as the stellar attraction of the season. Among the contests scheduled are those with Gallaudet, St. Johns (of Annapolis), Randolph-Macon, the U. S. Marines, Georgetown, Virginia Military Academy, Washington and Lee, Richmond, American Legion, University of Virginia, Roanoke, Lynchburg, Catholic University, Delaware, and Bucknell.

A strong team is looked for, due to the fact of a number of veterans of last year's squad are coming out again this year and also because of new material entering the school in addition to men who have also been developed through the Inter-fraternity Basketball Tournament. Those who will be on this year's squad will include Capt. Jack Dally, "Goody" Gosnell, Felix Altrup, "Babe" Hyde, Woodbury, Fred Youngman, Billie Springston, Hillary Tolson, Francis Brown, Radcliffe, Lloyd Laux, Ed St. John, and Jimmie Ptak.

Arrangements have been made whereby the girls basketball team will play the preliminary games.

## DEBATING TEAM PLANS EXTENSIVE PROGRAM

Contests With University of Pennsylvania, Swarthmore, and Other Colleges on Program.

Activity in debating in the University is coming to the foreground. At a meeting of the Debating Council, held recently, Prof. C. S. Collier was elected president and Edward L. Scheuffer was elected manager of the Men's Debating Team, while Kathleen Duggan was elected to a similar position for the Women's Debating Team, and plans were drawn up for an extensive season along forensic lines.

The men will debate against University of Pennsylvania, Pen State, Swarthmore, University of West Virginia, and possibly the Oriental University of California. The schedule of the women's debates will include Cornell, Swarthmore, and Virginia.

## GIRL SWIMMERS START PRACTICE AT Y. W. C. A.

The first practice of the year for George Washington girl swimmers will be held on Saturday evening in the Y. W. C. A. pool. The girls are late in getting started on their program for the year, because of the difficulty they experienced in securing a pool, but the enthusiasm of the candidates more than compensates for the necessary delay.

For the first few weeks of practice there will be no distinction among the swimmers, as all are competing on an equal basis for places on the team. At the end of that time, however, a first team of ten girls and a second team of five will be chosen, and will have one extra evening of practice every week.

### SOLDIER BONUS DEBATED

The Columbian Debating Society, on Friday, November 17th, held a debate among its members, in the Alumni room of the Law School, at which time the question, "Resolved, That Congress shall enact legislation providing for adjusted compensation for veterans of the World War," was decided.

The negative, upheld by Mr. Wright, Simmons, and Steed, were declared the winners over Miss Mildred Wilgus, Mr. Stolz, and Graves, of the affirmative.

First honors went to Mr. Steed of the negative; and second honors to Mr. Wright, also of the negative.

## HOP OF HOPS NEARER; TICKET SALE RAPID

Football Hop to be at City Club on December 8.

### "LA PARADIS" ORCHESTRA

Football Letters Will be Awarded—Several Surprises Planned by Committee.

It's much nearer! Only eighteen days separate the G. W. students from the biggest soiree on the social calendar of the University—that Hop of Hops, the Football Hop! On Friday evening, the 18th of December, the flappers and finale hoppers will sojourn to the City Club to celebrate the football season, and to do honor to the men who trampled on Catholic University's best.

The Student Council Committee in charge of the dance has given assurance that the party will be all one could expect. Meyer Davis and his "Famous Eight" will appear at ten and pass out a hot line of jazz until 1 a. m. Then they will gracefully give way for the noted "Le Paradis" orchestra, and allow them to hammer out the sin copation until the party closes way, way late.

Punch will be served. Perfectly nice punch, not the kind one sees sometimes with corks floating around in it. But punch, and plenty of it, to allow the dancers to quench their thirsts and catch their breath for the next hopper.

Along in mid-evening the football letter men will come to the front and be awarded their letters and sweaters, with all the pomp and gusto necessary and the trimmings of a Roman ceremony. There may be several surprises sprung about this time, but the identity of them is a big secret and they can't be revealed.

Best of all, the tickets are on sale at the treasurer's office, the Law School and the Medical School offices. And for the music by Washington's best, for the dancing on the Club's rare floor, and for the one and sundry other treats, one pays but three dollars. The stags, those creatures of colossal crust, must pay two dollars. But the tickets are being wafted around and are being sold fast. There is a limit to the total number to be accommodated at the Club, and when the tickets are gone, that's all.

## OVERHEAD OFFENSIVE DEFEATS HATCHETITES

Flying Cadets Score Seven Touchdowns by Modern Running and Aerial Plays.

Using a modern open running attack and overhead offensive, Virginia's Flying Squadron, the V. M. I. Cadets, went through the Hatchette defense for a 45-0 victory in the contest played in the Central Stadium, November 18.

Unable to gain through the G. W. line with any marked success, the Cadets opened a bag of trick passes which completely baffled the Hatchettes.

Buff and Blue used a short pass with success, and also a long pass to some degree. "Jerry" Murphy and "Jimmy" Ptak played good offensive games.

V. M. I. gained twenty first downs to the Hatchettes six. The Lexington boys attempted twenty-five passes, successfully completing twelve. The Quigleyites attempted twenty-two, making nine complete.

## ACTIVITY PLEDGE DRIVE PASSES 1,000 MARK

"The student activities pledge drive has hit the one thousand mark," says Bryan Morse, director of student activities, "and there is no reason why it shouldn't reach the necessary two thousand in a short time." Two thousand signers are needed to carry the activities through this year.

The University of Hawaii, which was organized in 1920, now boasts a football team and a college paper.

### THANKSGIVING RECESS

Thanksgiving recess will be held from November 30th until December 2nd, instead of November 23rd to 25th, as stated in the catalogue.

## Wanted—A Leader

"What is the matter with Student Activities?" At every gathering of those interested in school affairs this is the question most frequently brought up for solution. Did you ever hear of a successful army with no general? Of course you have not. But this is the ailment of Student Activities at present. There is no leader.

Beyond any semblance of a doubt there are men in the school who have the ability; what they lack is the initiative. Does George Washington University and the prestige of that institution mean nothing to these men who lag behind. In the years gone by there were men who had the interests of the school at heart and kept the various activities in harmony with each other, and in this manner made them efficient and progressive.

Unless some progressive student steps forward and obtains control of Student Activities, the present haphazard method of conducting the various activities will continue until those activities will be no more. There is no excuse to be offered for these discouraging facts. The only action possible is the accomplishment of a remedy.

## Juniors Welcome Frosh

Because of the peculiar organization of this University, Freshmen entering here do not go through the same experiences that the Frosh of many other schools do. There are no enforced Freshman Rules. There is no Freshmen hazing; excepting that sporadic hazing carried on by individual groups of students not identified with any particular class. The only class content is the annual tug of war.

Under these conditions the student enters the halls of this institution in a rather independent manner, and no noticeable fuss is made over him. This necessitates some method of acquainting him with the organization of the various activities. In past years the Interfraternity Association has held a smoker to welcome the Frosh. Last Wednesday the Juniors took up this custom by holding a Welcome Frosh Reception.

This is an extremely beneficial event in the University life. It is to be hoped that it will become an annual affair, as it is in many other schools. The future life of Student Activities depends on the accomplishments of these students. It is well that they should be thoroughly instructed and informed as to the many fields of activity that are open to them in order that they may get the most possible pleasure and profit out of their four years of college life.

## Gate and Key

G. W.'s new honorary society, the Gate and Key, has announced its object as follows: "To promote the interests and ideals of the University, and to foster all Student Activities for the welfare of the University." May it succeed. Pyramid Honor Society has long stood as the goal for which those interested in school affairs constantly strove, and this organization has numbered among its members some of the most prominent and conscientious students. The new fraternity should add to the work performed by Pyramid.

The members of this organization number some of the most prominent men in the school. It is to be hoped that the society will always include only those who are really working for the betterment of Student Activities. The University looks with great favor on an organization of this type, and will continue to do so provided the members are sincere; that all of them are prominent student officers; that all of them have the best interests of the University at heart; and that all of them are earnest supporters of and subscribers to the Student Activity Pledge.

# Footprints

"Great men leave behind them Footprints on the sands of time."

## STANLEY WRIGHT

Stanley Wright, president of Student Council, graduated from Greeley High School, Greeley, Colorado, in 1917. Was on debating team. Went to Colorado College, Colorado Springs, 1917-18. Went to University of Minnesota 1919-20. Came to George Washington in 1921. Was chairman of Athletic Committee of Interfraternity Association, chairman of Social Committee of Student Council, charter member of "Gate and Key" Honorary Fraternity, and a member of Sigma Chi Fraternity.

## ALBERT FOLEY

Albert Foley, president of the Sophomore Class of Columbian College. Graduated from Dunkirk High School, New York. President of his class. On basketball team. Came to George Washington in 1921. Was on freshmen social committee. Assistant cheer leader 1922. Charter member of "Gate and Key" Honorary Fraternity, and a member of Sigma Nu.

# THE SPY

## President.

Beginning Sunday night, the President Players will present Anne Nichols' comedy hit, which has taken Broadway by storm, and is in its eighth month in New York. An Irish girl marries a Jewish boy, much against the wishes of the respective parents, and—well, imagine the consequences. Henry and Eileen will again lead out and the rest of the capable company will follow in suitable roles.

## Garrick.

Fay Bainter comes to the Garrick Monday night in her new vehicle, "The Painted Lady," before going to New York. The star is supported by Arthur Byron, and the play is from the pen of Monckton Hoffe, the English writer of "The Little Damsel," and "The Faithful Heart." Miss Bainter takes the character of a little circus girl, and supported by Byron, himself a star, the play should go over big.

## National.

Charles Dillingham presents H. B. Warner in "Bull-dog Drummond," the melodramatic hit of the last season in New York. The engagement begins Monday night, when the rejuvenated National will reenter the list of Washington's legitimate houses. The play is heavy melodrama, but is well done and offers entertainment. And then there's the new theater for us to see for the first time.

## Poli's.

Poli's initial bid for favor following the rebuilding of the house is "Hayseed," featuring Mr. and Mrs. Jimmie Barry. The book and lyrics were written by A. E. Thomas and Brian Hooker, and the play is a musical take-off on the rural motif. The rebuilt house will open its doors to Washington play-goers on Monday night.

## This Week.

Garrick: "Nobody's Fool." Alan Dale fails to come up to expectations as a playwright. Henrietta Crossman plays the leading role in an assured manner. Supporting company adequate. By no means a brilliant comedy, but entertaining.

President: "Smilin' Through." An excellent production of that sad sweet play of two generations. Eileen Wilson does some very fine work, and Henry Duffy does well as villain and lover. Guy D'Ennery gives a good character portrayal. The finest thing they have done so far.

## Don't Get Hoit!

Student: "Did you get injured while you were on the football team, sir?"  
Prof.: "Yes; I fell off a bench."

Soph: "Will you go to the football hop with me?"  
Cod-ed: "But, I can't play!"

From the appearance and actions of the Freshmen Class officers, G. W. should have a very fast track team this year.

There will be held in the near future a roller-skating tournament on the cement stadium of the front campus.

"It won't be long now!" said the student as he turned to his answer page for the examination.

Frosh: "Why do you feed that dog axle grease?"  
Bored Soph: "'Cause it helps his waggin'!"

One of the co-eds at the C. U. G. W. game remarked: "How sweet they play to-gether."

Just how would you feel in a case like this: "Oh, please don't; please don't kiss me, Silas," she sort of sobbed, all aquiver. And the gent's name wuz not Silas!

## Choice of a Career

From the Yale News

### THE NINETY-FOUR

Someone, probably an insurance agent, was quoted recently as saying that from the mass of one hundred college graduates one individual only rose to the Polo and butler class, perilously near the top of the financial ladder. Five others became comfortably off and found themselves after twenty years at the small yacht and chauffeur stage. The other ninety-four presumably congregate in the great section of the American people who drive their own Buicks to the golf club. In other words, dreaming about being a rich man is one thing, and making the grade is "something else again."

Yet the ninety-four presumably work just as hard as the sumptuous six. Their business is the axis on which a small and uninteresting world revolves. They have become devotees of the dollar and when that fickle deity deserts, have nowhere else to turn. Jammed in a dull, straight rut of business they can never leave the road and jump the fence into finer fields of life. This, then, is the portion of ninety-four men out of every hundred now on the campus.

The answer to the problem lies in the proper choice of a career.

Between now and Commencement we shall have something to offer on the subject of "Careers." Watch for the space with the Famous Signature.

## GATE AND KEY PLEDGES

Gate and Key Honorary Fraternity, recently established at George Washington University, has been attracting great interest about the "campus." The organization demands that its members who have not already done so, sign the tax immediately. Another primary purpose of Gate and Key will be to install into the student life of Greek letter men a more pronounced spirit of fraternal friendship and co-operation.

Gate and Key held a dance last night (Thursday) at the Sigma Phi Epsilon House for the new members of the organization.

Verne P. Simmons, president, has announced the names of the following students as new members:

James Ptak, "Al" Foley, "Babe" Fly, Knute Nilsson, Joe Colburn, "Jeb" Stuart, Raymond Wisehart, John Sandlin, and A. Hyde.

Franklin 720 - District - Franklin 1718  
Washington, D. C.

All persons planning to graduate from Teachers College in February or June, 1923, are requested to meet in room 23, 2024 G Street, on Monday, November 27, at 4.50 p. m., for the purpose of effecting a class organization. Will those not able to be present, please see the undersigned.

W. C. RUEDIGER, Dean.

## CHERRY TREE PICTURES MUST BE TAKEN NEXT WEEK

The last date for the taking of the studio pictures for the 1923 Cherry Tree is just one week from to-day. Some of those whose pictures are to appear in the book have gone to the studio already, but the greater number of those interested have not gone and the Staff wishes to urge those who have not to do so immediately. The matter of the preparation of copy from these pictures is the governing factor in the date on which the Annual will be ready for presentation to the student body. It is reasonable to suppose, then, that if the matter of taking these pictures is put off, that the date for the appearance of the Annual will likewise have to be indefinitely postponed. The Staff will consider it an indication of the support of the student body if each student whose picture will appear in the Cherry Tree will go to the studio immediately and have a sitting made.

## BUDDING JOURNALISTS TO GIVE THANKSGIVING DANCE

Members of Publications Staffs to Hold First Social Event at S. A. E. House.

"It won't be long now," say the members of the staffs of the Hatchet and Cherry Tree who are eagerly looking forward to their Thanksgiving dance, to be held at the S. A. E. Fraternity House to-morrow night at 9 o'clock. This is to be the first of a series of social functions that the staffs of the "pubs" are planning to hold throughout the course of the year; provided this first one is successful. It will be from present indications.

Douglas Clephane, Dorothy V. Bartley, and Marian Barker are taking charge of the sale of tickets. Professor and Mrs. Henry Gratton Doyle will chaperon the dance. Admission will be one dollar and a half per couple. All students of the University are invited to attend by Robert M. Bolton, editor of the Hatchet, and J. Jos. Palmer, editor of the Cherry Tree.

## TAR HEELS FORM CLUB

A meeting of the North Carolina Legal Club, at 8.15 o'clock, has been called by the newly elected president, J. E. B. Stewart, for Wednesday, November 22, at the Alumni Room of the Law School. At this meeting the Tar Heels will complete their organization by filling the remaining offices, consisting of vice-president, secretary and treasurer, and by the appointment of various committees to direct the programs and social events which are being planned for the year. Every North Carolinian is urged to attend, as well as everyone interested in the study of North Carolina law. A definite program for the year will be discussed and planned. In addition to a systematic study of the North Carolina statutes, a number of eminent lawyers and statesmen from the state will lecture on the state law. Arrangements are already under way for securing the services of these men.

The need for such an organization at George Washington has long been felt. Several of the alumni from the old North State who are still in town have expressed their desire to affiliate with the club, and will be present. More than 20 students who hail from the Tar Heel State are registered in the Law School.

Refreshments will be served at the meeting. Everyone is urged to be on hand promptly, and a general good time of North Carolina fellowship is assured to all.

## G. W. Man Achieves High Honors.

Marcel Conway of the law class of 1922 contributed his bit to carry the standard of George Washington University to high honors. The University has just received word that Conway passed the Vermont bar at the top of the list. Among those who contested with Conway for the premier honors were a number of Georgetown and Harvard men.

## WOMEN'S LAW SORORITIES ANNOUNCES NEW AVERAGES

Sororities Lead Men in Law School Scholastic Honors.

The women's legal sorority again leads in scholastic honors in the Law School. Phi Delta Delta shows the highest average, while Delta Theta Phi, the new legal fraternity, does not come up to the general school average. It has always been the unwritten law in the Law School that a 72 per cent average would be one of the prerequisites for admission. Delta Theta Phi was admittedly handicapped last year by most of its membership being first year men, a number of whom "funkt outright." Phi Alpha Delta shows the largest membership, and from the number of pledge pins in evidence, it looks as though it will continue so during the current year.

The following is the standing as compiled by Dean Ferson this week:

	Members.	Avg.
Phi Delta Delta (sorority) . . .	8	79.5
Phi Delta Phi (fraternity) . . .	41	76.4
Kappa Beta Pi (sorority) . . .	18	74.7
Phi Alpha Delta (fraternity) . . .	57	73.2
Delta Theta Phi (fraternity) . . .	24	68.3

## ENGINEERING SOCIETY NOW HAS 150 MEMBERS

The regular monthly meeting of the George Washington Engineering Society was held Monday evening in Lisner Hall, at 8 o'clock. Supper was served at 2027 G Street, before the meeting by the girls of The Sphinx Society.

The subject of a suitable emblem for the society was brought up, and it was voted that any member having an idea for designs or emblems, turn them in to the president, and they will be voted on at the next meeting. The next meeting will be held Wednesday evening, December 13, in Lisner Hall, at 8 o'clock. This meeting will be in charge of E. Sequist, who is Mechanical Engineering vice president.

The membership of the society has increased to over one hundred and fifty members, and it is hoped that many more will have joined by the next meeting.

However, the most enjoyable part of Wednesday's meeting was the speaker for the evening, Mr. E. B. Smith, senior assistant testing engineer of the Bureau of Public Roads. His subject was, "Highway Engineering," and was of special interest to civil engineers.

**FIRST JUNIOR-FROSH

Hodgkins Urges Freshmen to Partici-  
pate in Activities—Annual Tra-  
dition Established.

President, Hodgkins, with a short  
address of welcome to the Freshmen  
of Arts and Sciences, opened the enter-  
tainment, which was given by the  
Class of 1924, in honor of the Frosh.  
Eugene Thomas, president of the  
Juniors, and Foster Hagan, represent-  
ing the Student Council, also made  
short addresses preliminary to the  
dancing, which was the chief feature  
of the evening.  
Both classes were well represented;  
and the event is noteworthy in that  
it is the first of its kind, and the  
Juniors hope that it will act as a pre-  
cedent in future years, when the  
Juniors will extend the welcoming  
hand to those who will later leave  
"Footprints in the sands of time."

**LAW SENIORS PLAN FUN  
MIXER IN DECEMBER**

Combined Committees to Map Out  
Brilliant Social Calendar  
For the Year.

"Portias and Blackstones," law  
school seniors, have dropped their  
studying long enough to plan some  
fun, and are heartily backing their  
president's idea to put through an  
elaborate social calendar this year  
that will rival the most brilliant the  
school has yet had.

With an idea in mind that soon  
school days will be past history, and  
practicing law a slightly dreary busi-  
ness, President Jordan, law, '23, has  
appointed a social and financial com-  
mittee to make plans for, and finance  
a senior class reception, mixer, and  
dance, to be held in early December.  
Plans for other social functions to be  
held later in the year will soon be  
presented to the class for their ap-  
proval by the members of the social  
committee.

It was decided that all students ex-  
pecting to graduate in February, June,  
or October, would be classified as sen-  
iors, and that class dues of two dol-  
lars be assessed each person to help  
defray expenses for these entertain-  
ments.

The special committee appointed  
for the December mixer is, Walter F.  
Miller, chairman, and Miss Rose  
Shaikewitz, Miss Duggan, Miss Dun-  
can, K. N. Parkinson, Laura Mason,  
F. H. Myers, Mr. Henderson, Ober, and  
Nicholson as committeemen. These  
persons are also authorized to accept  
dues and issue class cards, which en-  
titles the bearer to all class functions,  
and also acts as a receipt for payment  
of the senior tax.

Standing Committees Appointed.  
The standing committees appointed  
were: Social Committee, G. C. Ober,  
chairman, G. A. Degnan, S. R. Wright,  
B. E. Nicholson, Kathleen Duggan,  
Grace M. Duncan, and Oliver Hender-  
son, committeemen. Finance Commit-  
tee, W. F. Miller, chairman, K. N.  
Parkinson, Rose Shaikewitz, Laura  
Mason, F. S. Rowley, and F. H. Myers,  
committeemen. Senior Picture Com-  
mittee, R. L. Moore, chairman, Vir-  
ginia Schwab, D. C. Reid, R. C. Hale,  
committeemen.

**P. S. K. AND WANDERING  
GREEKS WIN FLOOR GAMES**

On Thursday evening, November 16,  
in the Center Market Auditorium, the  
battle for leading honors in the Fra-  
ternity Basketball League, was re-  
sumed, when the Wandering Greeks  
trounced Delta Tau Delta, 15 to 9, and  
Phi Sigma Kappa won from Kappa  
Sigma by the score of 15 to 11.

The Deltas were swept off their feet  
by four baskets that Hester caged in  
the first half, and were never able to  
gain the lead. Hyde, a Varsity pros-  
pect, played a great game at guard for  
the Wandering Greeks, and figured  
largely in their victory.

Phi Sigs continued in the running  
after winning a hard fought battle.  
Some good floor playing was demon-  
strated, and accurate shooting also  
featured the engagement. Rutley and  
Klopsch played well, and shot two  
baskets apiece for the Phi Sigs, and  
Curran counted three times for the  
losers.

**CONGRATULATIONS.**  
Miss Lois E. Campbell, who is a stu-  
dent in George Washington Univer-  
sity, and a member of the Phi Mu  
Sorority, will be married to George

The University has purchased 2015  
G Street from the Coburn estate. It  
will be taken possession of in the  
spring in time to arrange the building  
for classes next fall. The building is  
of the same general plan as 2017, and  
will give practically the same arrange-  
ment of class rooms.

**G. W. TO PARTICIPATE  
IN SAFETY CAMPAIGN**

Next week is safety week; the slogan  
is safety first, last and always.  
All the civic organizations of Washing-  
ton are working to advocate safety  
more forcibly than heretofore. A mass  
meeting will be held Wednesday, No-  
vember 29, and a speaker sent by the  
safety committee will speak. Student  
speakers are also needed. Everybody  
is to forward the idea of safety every-  
where at all times.

Friday, December 1, a safety parade  
will be held and it is desired by the  
committee that G. W. be represented  
by its organizations, football basket-  
ball, etc. Each organization will  
have a banner of some sort bearing  
on safety. Dean Miller made these  
suggestions: For football, "Touch-  
down first-safety afterwards" Medical  
School, "Safety always—but if you  
should get hurt, go to the G. W. Hos-  
pital," etc.

Here is where we come in: The  
parade will be on Friday, during the  
Thanksgiving Recess, so that every-  
body will be free to participate.  
Daniel B. Lloyd is chairman of the  
committee to organize G. W. repre-  
sentatives, and has appointed a com-  
mittee to formulate plans. He will be  
glad to get any ideas for the features  
in the parade. There will be a com-  
mittee meeting, and of all others in-  
terested who can attend, in the  
Hatchet Office, Monday night at 8  
o'clock.
